BILLING CODE 4830–01–P

DEPARTMENT OF THE TREASURY

Internal Revenue Service

Recruitment Notice for the Taxpayer Advocacy Panel; Correction

AGENCY: Internal Revenue Service (IRS); Treasury.

ACTION: Notice; correction.

SUMMARY: In the *Federal Register* notice that was originally published on April 6, 2021, (Volume 86, Number 64, Page 17883) the state of Montana was listed in the states that the TAP is recruiting from. There were also some minor grammatical edits and corrections. All other details remain unchanged.

DATES: April 5, 2021 through May 14, 2021.

FOR FURTHER INFORMATION CONTACT: Lisa Billups at 214–413–6523 (not a toll-free call)

SUPPLEMENTARY INFORMATION: Notice is hereby given that the Department of the Treasury and the Internal Revenue Service (IRS) are inviting individuals to help improve the nation's tax agency by applying to be members of the Taxpayer Advocacy Panel (TAP). The mission of the TAP is to listen to taxpayers, identify issues that affect taxpayers, and make suggestions for improving IRS service and customer satisfaction. The TAP serves as an advisory body to the Secretary of the Treasury, the Commissioner of Internal Revenue, and the National Taxpayer Advocate. TAP members will participate in subcommittees that channel their feedback to the IRS through the Panel's parent committee.

The IRS is seeking applicants who have an interest in good government, a personal commitment to volunteer approximately 200 to 300 hours a year, and a desire to help improve IRS customer service. As a federal advisory committee, TAP is required to have a fairly balanced membership in terms of the points of view represented. Thus, TAP membership represents a cross-section of the taxpaying public with at

least one member from each state, the District of Columbia and Puerto Rico, in addition to one member representing international taxpayers. For application purposes, "international taxpayers" are defined broadly to include U.S. citizens working, living, or doing business abroad or in a U.S. territory. Potential candidates must be U.S. citizens, not a current employee of any Bureau of the Treasury Department or have worked for any Bureau of the Treasury Department within the three years of December 1 of the current year and must pass a federal tax compliance check and a Federal Bureau of Investigation criminal background investigation. Applicants who practice before the IRS must be in good standing with the IRS (meaning not currently under suspension or disbarment). Federally registered lobbyists cannot be members of the TAP. The IRS is seeking members or alternates in the following locations: Alabama, Arkansas, California, Connecticut, District of Columbia, Delaware, Florida, Georgia, Hawaii, Idaho, Kentucky, Massachusetts, Michigan, Missouri, Minnesota, Montana, North Dakota, Nebraska, New Hampshire, New Mexico, New York, Nevada, Oklahoma, Ohio, Oregon, Pennsylvania, Rhode Island, Tennessee, Texas, Vermont, Wisconsin, West Virginia, Wyoming, and International.

TAP members are a diverse group of citizens who represent the interests of taxpayers, from their respective geographic locations as well as taxpayers overall. Members provide feedback from a taxpayer's perspective on ways to improve IRS customer service and administration of the federal tax system, by identifying grassroots taxpayer issues. Members should have good communication skills and be able to speak to taxpayers about TAP and its activities, while clearly distinguishing between TAP positions and their personal viewpoints.

Interested applicants should visit the TAP website at www.improveirs.org for more information about TAP. Applications may be submitted online at www.usajobs.gov. For questions about TAP membership, call the TAP toll-free number, 1–888–912–1227 and select prompt 5. Callers who are outside of the U.S. should call 214–413–6523 (not a toll-free call).

The opening date for submitting applications is April 5, 2021 and the deadline for submitting applications is May 14, 2021. Interviews will be held. The Department of the Treasury will review the recommended candidates and make final selections. New TAP members will serve a three-year term starting in December 2021. (Note: highly

ranked applicants not selected as members may be placed on a roster of alternates who will be eligible to fill future vacancies that may occur on the Panel.)

Questions regarding the selection of TAP members may be directed to Lisa Billups, Taxpayer Advocacy Panel, Internal Revenue Service, 1111 Constitution Avenue NW, TA:TAP Room 1509, Washington, DC 20224, or 214–413–6523 (not a toll-free call).

Dated: April 14, 2021.

Kevin Brown,

Acting Director, Taxpayer Advocacy Panel.

BILLING CODE 4830–01–P

DEPARTMENT OF THE TREASURY

Agreement for a Social Impact Partnership Project

AGENCY: Department of the Treasury.

ACTION: Notice.

SUMMARY: In accordance with the Social Impact Partnerships to Pay for Results Act ("SIPRA"), the U.S. Department of the Treasury ("Treasury"), the U.S. Department of Labor ("DOL"), and the New York State Energy and Research Development Authority ("NYSERDA") have entered into an agreement for a social impact partnership project (the "Project Grant Agreement").

SUPPLEMENTARY INFORMATION: The Project Grant Agreement contains the following features:

(1) *The outcome goals of the social impact partnership project:*

The project expects to increase employment and earnings of low income individuals who may experience barriers to employment and increase the financial stability of low-income families.

(2) *A description of each intervention in the project:*

The project's interventions will be delivered by training providers located in several priority geographic regions across New York State. Training providers will be subcontracted by NYSERDA who will oversee implementation and administration of the interventions.

Training providers will provide clean energy job training and supportive services to eligible and enrolled individuals. Common intervention features and strategies across participating providers will include:

- Sectoral employment training focused on energy efficiency occupations and leading to industry recognized technical certifications (e.g., Building Performance Institute (BPI)
